### ***A New Creation: What is God up to in Your Life?***

*“<sup>16</sup> From now on, therefore, we regard no one from a human point of view; even though we once knew Christ from a human point of view, we know him no longer in that way. <sup>17</sup> So if anyone is in Christ, there is a new creation: everything old has passed away; see, everything has become new!” (2 Corinthians 5:16-17)*

As we begin to see the threat from the latest Covid-19 variant begin to subside, we can begin to wonder in a more real way: “What is God up to in our Lives?” The way we came to understand our faith and how the world has worked are all kind of up in the air. It is hard to imagine a world where everything we believe is called into question based upon a certain politic. What is truth? We live in a time when scientific fact is seen as propaganda. We actually live in a time when we don’t want to learn about who we are, where we have come from, or what makes us think. Books are being banned across the country that teach us these very things. It seems that it has become acceptable to say that if we don’t like something then we shouldn’t have to learn about it.

It is a difficult time for some introspection. And yet, I am not sure how we go forward without it. I believe it is one of the hopeful things about our faith. Faith allows us for some introspective. This is what the Lutheran Church is great at. We understand the notion that we are at the same time, both saint and sinner. We recognize in ourselves, the ways that we often turn away from God and live for our own self-interests. It is called sin and we are often curved in upon our own wants and desires. But that is never the end of the story as we imagine what faith is all about.

Lent is a perfect season for us to do some of this introspection.

But God does not leave us there. God is all about creating something new. Here is the exciting part. “What is God up to in your life?” Where are the new edges? What are the new opportunities to re-discover the power of hope that lies in God’s good word and gospel? Rather than merely existing in some status quo longing for a world that will never be the same, God calls us to life in 2022! What opportunities for love and service will come out of this pandemic? How will our faith continue to grow out of the stagnation of these past two years? How will we re-discover the idea of community—both with the OSLC crew and in the world around us?

As we live through this Lent together, please take some time to join in the conversations that the strategy team is developing and wonder together what God is up to in the midst of your life, but also with us at Our Savior’s. I look forward to those discussions and the strategy that we develop coming out of them. May God bless your Lenten journey.

Peace,

*Pastor Tim*

# Mission Strategy Task Force Update

## ***A New Creation: What is God Up to in Your Life?***

Six years ago, Our Savior's Lutheran Church adopted a mission strategy that helped guide ministry for the near future.

Throughout these past years we have been fortunate to accomplish many things in regard to this strategy. We hired staff, organized ministry, and found ways to move forward in the direction we felt we were being called. Then the pandemic hit. During these past two years the world has changed. Our congregation has changed. Your lives have changed.

How have you tended to your faith life? For some of us, we have learned how to worship online, or in cars, while others have found watching the previous week's worship on KSUN easier. Many of us have begun to return to in-person worship and it has been fun to see one another again. As Dane County lifts its mask mandate in March, we can begin to have some conversations moving forward.

So, what do the needs of ministry look like today? What is God up to in our own lives? How can we grow our faith in order to face the world around us? How can we learn more about what it means to love God and the neighbor?

A new strategy task force has been formed and meeting to help us, as a congregation, look at what is being made new among us. One of the things that we felt has been missing has been conversations and being with others. It is difficult to grow when you are isolated. Being together helps spur creativity and deeper thoughts. That is why we'd like to have a conversation.

Throughout the month of March and before Easter we'd like to invite you into a conversation with people you probably know, but also with folks that you don't. Through already established small groups like, circles, choir, Sunday School, quilters, etc., we would like to have conversations with you about what God is up to and try to establish a new strategy that encompasses our hopes and dreams and callings for new ministry to meet a new time. Questions we'd like to ask include:

1. What brings you to OSLC?
2. What words would you use to describe OSLC and why?
3. What does "growing in faith" look like to you? How can OSLC help you grow?
4. Part of the current mission of OSLC is community outreach. Are there community programs or needs that you would like to see added or expanded by OSLC in which you would be willing to support and participate?
5. Where can we, as a congregation, put more energy?

As we come out of this pandemic, we can be proactive about what ministry could look like and plan for what it will take to grow into that mission. Look for and be aware of invitations to join in a conversation during this month. Through it all we hope to bear witness to a God of love who calls us into love. Thank you for your attention.

*Happy conversations!*

## Two Calendars Come Together

In the month of March we leave behind the season of Epiphany and begin the season of Lent. Lent begins with Ash Wednesday on March 2 and will culminate in April with the Sunday of the Passion/Palm Sunday, Maundy Thursday, Good Friday, and then Easter Sunday.

In our country, February has also been designated as Black History Month. To observe and honor this, much of the organ music at worship featured music by Black composers, including Henry Sexton, Raymond Henry, David Hurd, Sharon J. Willis, J. Roland Braithwaite, and Adolphus Hailstork.

The month of March has been designated as Women's History Month. Organ music in March will feature works by women composers, including Fanny Mendelssohn, the sister of composer Felix Mendelssohn, who had to have some of her compositions published under her brother's name because publishers in her time would not accept works written by women. In March there will be music by women composers from both the past and the present. The music will be selected to coordinate with the hymns we will sing and the theme of worship for the day. In this way I hope to bring our liturgical and national calendars together.

Thanks,  
John Krueger

+ Pastor Tim—Genesis Overview

**Brown Bag Bible Study continues on Thursdays**—We are studying the book of Genesis. The book of Genesis is a fascinating book that includes many different types of literature. Its beginnings take us back to the beginning, but more importantly help us understand the present. We will seek to discover more questions and maybe even discover more about ourselves in the process. See you at noon on Thursdays with Pastor Tim!

## Communion Milestone Celebration

**This year seven children received the Sacrament of Holy Communion on Sunday, February 20<sup>th</sup>.** Each with at least one parent attended two orientation classes. The first portion of each session included teachings from our Pastors. The second portion included chalice decorating with Shelly Perkolup. These keepsake chalices were used by the children as they received Communion and served it to their families.

***Please join us in congratulating these young disciples and their families!***

## Faith Chests

We are excited to bring back part of our Milestone Ministry program this year, and we are in need of some hands to make it happen. We plan to gift a faith chest to each child baptized at OSLC. A faith chest is not just a simple box, but a special place to keep memories of one's faith journey through life. We need volunteers to help assemble and finish the boxes before we can start handing them out. We will schedule times to work as a group to complete this project at Matt Weber's workshop, and all supplies and instruction will be provided. Contact Matt Weber ([Matt@oslc-elca.org](mailto:Matt@oslc-elca.org)) for more information and to volunteer to help.

**Easter Flowers**—we will again be ordering flowers for decorating the church for Easter. If you are interested in purchasing Easter flowers, we will have a mixed Spring Garden of flowers to decorate the church for all Easter worship celebrations. (These can be taken home after the 10:30 service on Easter Sunday or you can choose to have the flowers donated.) Order forms are available at the Welcome Desk and the cost is \$17 each. **Deadline to order is Friday, April 1<sup>st</sup>.**

**Altar Flowers Chart for 2022**—Would you like to donate a floral arrangement for the altar to honor a family member or to give in memory of loved ones or to celebrate a past or present occasion or celebration? The Altar Flower Board for 2022 is located in the Narthex at the Welcome Desk, and **there are some open slots available each month for the rest of 2022.** The price per bouquet is \$25. If you would like to order flowers...please remember to:

1. Sign up on the Altar Flower Board
2. Fill out an Altar Flower Order Form (located on the Welcome Desk)
3. Include payment when signing up for your flowers. (Please place your payment in the white box located on the Welcome Desk—or mail it to the church office.)

If you wish to donate the flower bouquet(s) rather than take them home after our 10:30 service, please indicate that on the order form.

**PLEASE NOTE**—Altar Flowers can now also be ordered and paid for online through Shelby at the same location as Shelby Giving. (If you have any questions about this, call the church office.)

**Gloves 'n Socks**—The Rebecca Circle is collecting donations of gloves and socks for homeless shelters. The need becomes very great as the temperatures drop. This year they will be delivering the donations to Porchlight. Look for the red/white container in the Narthex to place your donations.

## A Note from the OSLC Quilters

Our quilters are in need of boxes, copy paper-sized or somewhat larger, for packing quilts. Please drop them off at church, either at the bottom of the stairs or in the Upper Room.

You would also be most welcome to join us on Wednesday mornings in the Upper Room from 9:00 to 11:00 am for the fellowship of assembling quilts for Lutheran World Relief. We can always use more help. As always, your support is so much appreciated!
