From Pastor Hecox

Spring has sprung?

The plant life around us re-emerges before our eyes. The weather decides one day to revel in anticipation of balmy summer, then the next day to dwell on memories of horrid winter. The Easter crowd flows in and packs the house on one Sunday, then enjoys the beautiful outdoors the next Sunday morning. Such is life.

All this talk of change is appropriate for us here at Our Savior's. This is indeed a season of change for humans as well as plants and wildlife. As we re-engage as a congregation, we bear in mind that we are always being made new. The Reformation wasn't a one-off event, but rather a continual process whereby we grow and are made new with each passing day.

And of course, we don't do this on our own. We are guided in this process by each other, and by the mysterious Spirit that moves we know not where or how. Which is why I want to remind you that this month also includes one of my favorite days in the church year: Pentecost! On May 28, we'll celebrate the coming of the Holy Spirit. One thing about the wily ole Holy Spirit is that she tends to bring a bit of upheaval when she arrives, and the result is that everything changes.

Now all this change might cause you anxiety, or it might reinvigorate you. Either way, we acknowledge the reality that our lives are always changing, and to sustain happiness, peace, and joy, we collectively learn to adjust to the changes and accommodate them as they come.

I can't pretend to know how the Holy Spirit will continue to move in our midst. I won't even try to predict what directions the Holy Spirit will lead us and how the world will change around us in the coming months and years. What I will do is encourage you in your continued journey of adjustment and adaptation. You do it as a beloved child of God. You don't do it alone, but rather you make the journey with a family of faith. Whatever the future brings, we have each other, and a faith that grounds us, and for that we can give thanks!

May the peace of the Lord which surpasses all our understanding be with you now and always,

Pastor Seth

Worship & Music

May, A Time of Ending But Also of Beginning

The month of May is a time of ending for our program year. The Senior Choir, Youth Choir, Cherub Choir and Chancel Ringers will each reach the end of their seasons. Weekly rehearsals will cease. Many thanks to all who have participated in any of these groups during the past program year. Thank you also to Rick LaFleur, Breta and Judy Saganski, Diane Padrutt, and Angie Schmidt for leading these groups. Thank you also to parents who have made it possible for their children to participate.

If you haven't been a member or parent of a member of any of these groups, now would also be a good time to begin making plans to join a group when rehearsals resume in September. If you have any questions, please ask me or the leader of the group in which you are interested.

Thanks,
John Krueger

“Uke-ology” Group Meeting @ OSLC!

All “Ukers” welcome! We’re meeting in the Chapel on the first and third Saturdays of the month at 10 am. If questions, contact Phil Saganski at (608) 843-1955 (text or call) or by email at phil_saganski@frontier.com

Kids’ Musical—Sunday, May 14th @ the 10:30 Service!

On Sunday, May 14th - Mother's Day - at the 10:30 service, the Youth Choir and Cherub Choir will present their mini-musical, "The Story of Noah and the Great Flood!"

There will be songs, costumes, "animals" and an ark. During its 15 minutes, you will enjoy catchy tunes by Tom Long and Allen Pote and take heart in the message of God's promise to us. All are welcome!

Wednesday Night Worship

The church council has decided to put our Wednesday night worship on hiatus until next fall, perhaps in Advent. Since Lent worship finished we have had 1 or 2 people in worship each week. The council feels as if this is a poor use of resources, so we are going to take time to re-evaluate the status. Thank you for understanding.

Volunteer Information

Volunteer to Quilt for Kids and Families in Need

Often, when natural disasters strike or war drives families from their homes, our hearts ache with compassion but we don't know how to help. If you've wondered how to volunteer to quilt for charity, look no further. Making Lutheran World Relief Mission Quilts is a tangible way to express love to our neighbors in need. Quilts can be used as warm bedding, simple tents, or floor coverings. Each one reflects God's loving presence in a world rife with suffering.

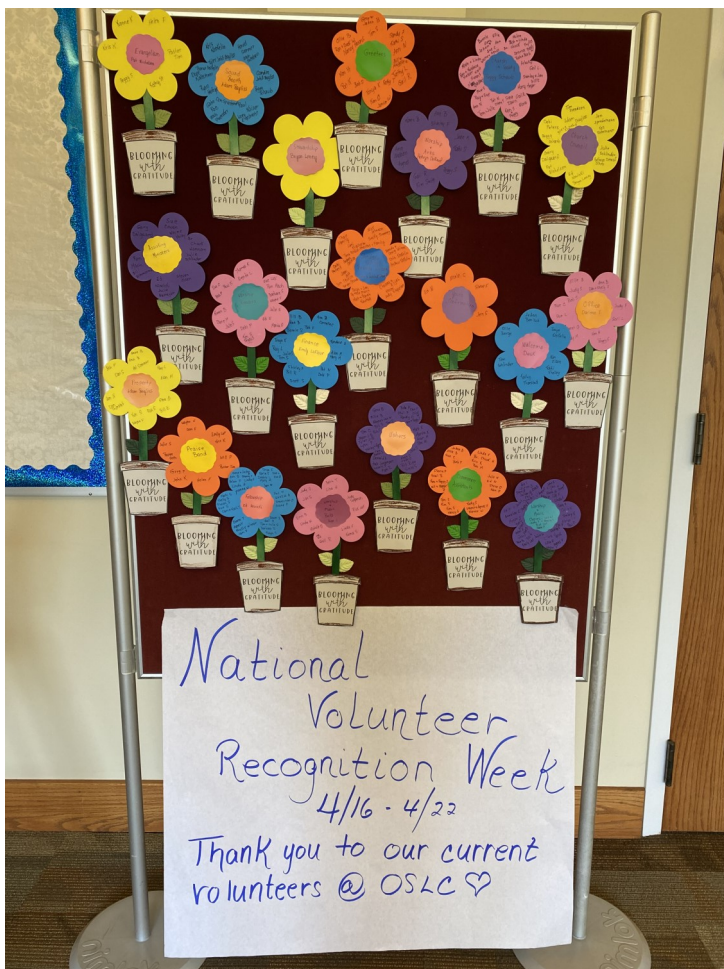

How Can You Help Support This Important Ministry?

OSLC has an active Quilting group that meets every Wednesday morning from 9:00-11:00 am and they need your help! The best news yet? You don't have to know how to sew! If you know how to tie a knot, cut with a scissors, or perhaps even pin something together—your time is needed! If you can sew, there's a place for you too. This group is open to men and women of all ages.

Let Ellie Borchert know if you can help either on Wednesday mornings or perhaps you are a quilter and know how to do some of the finer things at home. There is also a way to donate fabric or money towards this fantastic outreach. There is a clipboard on the Welcome Desk for you to put your name and contact information for Ellie so she can follow up with you.

Thank you for supporting the Quilters and all that they do year after year.

Volunteers - Mark Your Calendars!

Let's Gather Together on Wednesday, May 24th for a Taco Dinner in Fellowship Hall! Dinner will be served at 5:30 pm.

Look in your mailbox for an invite the second week of May for the details!

Sunday School Report

I'm happy to report that Sunday School is going extremely well. Some interesting things have happened post Covid. While the number of kids that we have registered for Sunday School is significantly lower than what it was before Covid, attendance numbers are just about equal to what they were back then. In my mind that means that families are taking Sunday School attendance more seriously. We have had feedback from a couple of families saying that on a Sunday when they had planned to not attend church for some reason, their kids were upset because they were going to miss Sunday School.

We're not that far off from taking our summer break from Sunday School. Plans are already in the works for next year to make it even better than this one. However, the next exciting phase of our children's education program is VBS! Yes, VBS is back after having missed the last couple of years due once again to Covid. It's going to be a great program. The dates are July 31 to August 4. There is information available in the Narthex at the church right next to the rocket ship. Be sure to get your kids registered ASAP. There is NO CHARGE this year so that makes planning even easier.

Gary Dalgaard
Education Committee Chair

Vacation Bible School Registration Now Open!

VBS is back this summer (July 31–August 4) with an out-of-this-world theme for our week of games, Bible stories, songs, new friends, and fun! All kids 3 years old (by September 1st, 2023) through 5th grade are invited to attend VBS. We will launch kids on a cosmic quest where they'll have a blast shining Jesus' light to the world. **Stellar VBS** rockets kids on an out-of-this-world adventure that's light years of faith-building fun! VBS is a totally FREE event and is supported by members of OSLC. If you are willing to volunteer and help make this event a success, please contact me for more information, or sign up to volunteer by following the registration link below.

Confirmation Camp Update

We will be attending confirmation camp at Pine Lake Camp in Waupaca, WI on June 18-23! All students in 6th-8th grade are invited to attend camp with our group. The total cost of camp is \$650 per person. OSLC will cover half of this cost, so your cost for the week will be \$325 per person. If this amount is still more than your family can cover, there are other scholarship options available through OSLC and through the camp. Please do not let the cost keep you from sending your child to camp. Contact me if you would like to discuss other scholarship options.

All registration is done online. The website address to register your child for camp is: **crossways.campbrainregistration.com**. Payments for camp will be handled through OSLC, so you do not need to pay at the time of registration. If you have questions about the registration process, please contact Steve Delany, registration manager from Crossways Camping Ministries, by email (steve@crosswayscamps.org) or phone (920-882-0023).

If you have questions about what our week at camp will look like and what activities we will be doing, you can contact me.

Thanks!

Church in Society

From the JAM (Justice and Mercy) Team

The month of May marks a nationwide celebration of Asian American Pacific Islander (AAPI) Heritage month. This month is set aside to pay tribute to Asian and Pacific Islanders who have enriched America's history and development and who have been instrumental in its future success.

These celebrative heritage months are meant to provide us with space to take a moment to pause and engage with words, art, music and other work as we appreciate the diversity of the world intentionally. While celebrating with them, we also want to recommit to do justice and stand with them against any hate surrounding AAPI, which has become especially prevalent since the Covid pandemic.

CH Bird Community School Update Jenny Divney - onsite coordinator

This summer from June 15 through August 31 both Community Schools and Sun Prairie Neighborhood Navigators will be at Vandenburg Heights Park from 1-3pm each Thursday. We will be playing sports with the kids from the neighborhood and will have other enrichment activities like art classes, yoga, safety classes, gardening, etc. It's hard to tell at this point how many students will be in attendance, but we think it's safe to say at least 20-25.

Community Schools has a large freezer and space to store boxes of **Kool Pops** that can be frozen throughout the summer at CH Bird. We would like to be able to provide popsicles to the kids each week and are hoping OSLC might help us with that.

You can drop off packages of **Kool Pops** directly to CH Bird or at OSLC on the Welcome Desk. Again, thank you for all you do for the children and families of CH Bird school!

Evangelism

SAVE THE DATE!

The Evangelism Committee has planned a couple of exciting events you don't want to miss. Add these events to your calendar!

The **Cornfest Parade** is scheduled for **August 16**. Our participation was a great success last year and we want you to walk with us this year to represent Our Savior's. We will have something ready for you to hand to parade watchers: it might be stickers, magnets, water, pens, or other fun items. We will need a few council members to carry our banner, sing with the band, play with the band and all that goes with that (a flatbed and truck are also needed!) Show your OSLC and Sun Prairie spirit by being a part of the parade! Look for the sign-up clipboard at the Welcome Desk or call the church office and let us know if you want to be involved. All ages are Welcome!

NEW THIS YEAR

On **September 9th**, we will be holding a **Neighborhood Blacktop Party** in our church parking lot. So far we've planned for a live local band the "Dirty Birds" to encourage dancing and singing. There will be a bouncy house, face painting, popcorn, and ice cream cones! With advertising, we hope to draw in the neighborhood. All are welcome!

ARE YOU READY FOR SOME UPDATED OSLC CLOTHING?

We've been working on a clothing logo and are getting closer to unveiling the result! This refreshed OSLC logo will be available for t-shirts and clothing items that you will be able to purchase through Elite Embroidery! The announcement is coming soon!

To paraphrase John 1:14

Upcoming Fellowship Events!

Looking ahead—we are planning for more OSLC Fellowship events for the summer!

Mark your calendars for Concerts on the Square in Madison on July 19th. The theme is Romeo and Juliet. More info to come in the June newsletter.

Also there will be an afternoon at the Mallards Ball Park. Watch your newsletters for upcoming information.

Coffee Hour Volunteers Needed - May through August

Please consider signing up to help serve coffee, juice, and treats between services. The sign up sheet is on the **Welcome Desk counter**. If you will need someone experienced to help you, put a checkmark by your name.

There are TWO times per Sunday. The first time is 8:45-9:30 aka Set-Up. During this shift you will need to make sure there are two pots of regular coffee and one half pot of decaf coffee ready to go by 9:00. Also, the creamer, sugar, and coffee cups need to be set out. Juice needs to be poured into small plastic cups and typically we need two trays of treats (especially during the school year when there are a lot of Sunday School students in the building).

The second time slot is 9:30-10:15ish. If more coffee needs to be made you will need to do this, plus continue to put treats out if needed and fill cups of juice. Leave any extra coffee in the urns. **Do Not dump out the coffee.** Around 10:15 start loading the dishwasher and clean up the kitchen area. Before you leave put a dishwasher tablet in the dishwasher, close and push the Normal button.

This is a wonderful volunteer opportunity that is appreciated by all.

HOLY LAND 2024

I hope you will join me on a wonderful trip to the Holy Land in April of 2024. I am excited about the itinerary for this trip as it allows us the opportunity to see the sights we have long read about in our Bibles, but even more importantly, to meet those who live out their faith in the Holy Land today.

We will begin in the country of Jordan, where we will be able to see the amazing archaeological site of Jerash, one of the cities of the Decapolis. You will be amazed at the engineering of the amphitheater! We will travel next to Petra and see the land of the Nabateans most recently made famous in the “Indiana Jones” movies. On our way we will stop at Madaba and see a fabulous map of the Holy Land made out of mosaic tile. Following our time there, we will head to Bethlehem. You will have the opportunity to spend time in famous places like Bethlehem, Jerusalem, Nazareth and the Galilee region, including the Golan Heights. We will have communion together on the Sea of Galilee, walk the Palm Sunday path from the Mount of Olives to the Garden of Gethsemane, sit on the broad steps of the temple where Jesus would have entered into the temple, and step inside the Church of the Nativity in Bethlehem. We will visit important historical sites like Masada and Jericho.

We will be led by a Christian guide who is a personal friend of mine. If you have any questions, please feel free to contact me at (608) 837-3111, or you can register for the trip at:

<https://shepherdstours.com/package/hansen-tour/>

I look forward to walking with you in the steps of Jesus, seeing the roots of our heritage of faith, and meeting the people of hope who continue to work for peace today. Thank you for considering the trip and I look forward to hearing from you.

Sincerely,
Pastor Tim

A Note from Angie Schmidt's brother, Pete Boll—Raising funds for Leukemia & Lymphoma Society's Scenic Shore Bike Tour—July 2023

A short family update for 2023, Jen, the boys, and I are doing well. Ryan is finishing his first year at Metropolitan State University in Denver. Eric (who goes by Ray now) is a freshman at MG21, the local Charter School. Jen is still at the Middle School Library, and I am still at the UW and in the Navy Reserve.

The focus of this year's letter is my brother-in-law, Jon Schmidt. Jon is the main reason I've ridden all these years and will continue to ride. On September 18, 2022, Jon succumbed to Mantle Cell Lymphoma after an 8-year battle. His death was a blow and a shock to us all. We love and miss him every day. He had been doing relatively well for so long, but the cancer was too strong, and the doctors just ran out of treatment options. I first met Jon in 1986 when he began dating my sister Angela. They married in 1988. Jon was a great guy, funny, friendly, kind, and always generous. He was always willing to lend advice, and I never heard him deny a favor request. Jon loved his family, friends, and his faith. He and Angie were blessed with 3 terrific boys, Michael, Ben, and Aaron.

Jon was a great dad and tremendously proud and supportive of them all. His last wish was to attend Michael's wedding to Krystina in New Jersey. He was able to do just that about a month before he passed. The time spent and memories made with his family there will be treasured forever.

For the 5th time I'm riding in The Leukemia & Lymphoma Society's (LLS) Scenic Shore Bike Tour. I am writing today to ask for your support in my efforts to help LLS **cure blood cancers**. Every dollar I raise leading up to the event will help LLS fund groundbreaking research for cures, provide free patient support, and advocate for the best interests of patients. My team, the Lymphomaniacs, and I will be 100 strong riding the shore of Lake Michigan on July 22-23, 2023, alongside over 1,000 passionate, cancer fighting athletes. Our team goal is to raise **\$225,000** and my personal goal is to raise **\$10,000** which will go directly to LLS in support of its longstanding goal: a world without blood cancers.

There are many reasons to be proud to support LLS's efforts. For instance, approximately 40% of new cancer therapies approved by the FDA since 2000 were first approved for blood cancer patients. And many of these LLS-supported therapies not only help blood cancer patients but they have also led to a tremendous number of advances in many other types of cancers, like bone, brain, and breast.

For Jon

Your contribution will have rippling effects across the entire cancer landscape.

This is where you come in. To make a tax-deductible contribution to LLS, please use this link <https://pages.lls.org/events/vtnt/ss150/PTBoll2023>, or scan the QR code to go to my fundraising page. You can also send a check. Please make checks out to "LLS" and include my name in the memo line. Mail your check to Pete Boll, 821 Sunset Dr., Cottage Grove, WI 53527

I thank you in advance for supporting this incredible need. I'll keep you posted on how my fundraising campaign goes. I am grateful for your friendship and support.
